## Summer 2009!

## What is KAT?

The Kearsarge Arts Theatre Company (KAT) is a non-profit organization dedicated to the development of the highest caliber of fine and performing arts for children. The winner of the 2002 New England Theatre Conference (NETC) Moss Hart Trophy for the best theatre production in New England, KAT has performed nationally at the Kennedy Center in Washington, D.C. and internationally in England, South Africa, Lithuania, Ireland and New Zealand.

During a four-week intensive summer program, young people between the ages of 4 and 18 develop their talents in theatre, dance, music, and the visual arts, with a staff of dedicated professional artists and educators. KAT members broaden their experience and challenge their talents by performing in a series of choral, dance and musical theatre productions, as well as contributing to an extensive art exhibition.

KAT welcomes all students interested in becoming part of this exciting opportunity to explore the arts in a supportive and caring community.

Theatre is a kind of magic  
that makes small dreams  
large realities.

Be a part of the magic!
